WELCOME MESSAGE

Dear Colleagues,

Welcome to the 2nd Middle East Symposium of Pediatric Otolaryngology (MESPO 2024). We are thrilled to have you join us for what promises to be an enriching and transformative gathering.

MESPO was founded with a clear vision: to bring together multidisciplinary professionals dedicated to advancing the care of children with ear, nose, and throat disorders. Over the next few days, you will have the opportunity to engage with leading experts, participate in hands-on workshops, and attend cutting-edge sessions focused on innovation, collaboration, and excellence in pediatric care.

Our program reflects the diversity and complexity of pediatric otolaryngology, encompassing everything from airway reconstruction to hearing loss solutions, head and neck diseases, and speech and language advancements. We believe that through shared knowledge and collaboration, we can continue to elevate the standards of pediatric ENT care in the Middle East and beyond. Thank you for being part of MESPO 2024. Together, let's shape the future of pediatric otolaryngology.

Warm regards,

Dr. Faisal Zawawi

Founder and CEO, MESPO

WELCOME MESSAGE

It gives me great pleasure to welcome you to the second Middle East symposium of pediatric otolaryngology (MESPO).

A meeting for surgeons and healthcare providers taking care of sick children.

The scientific committee have put together a great program filled with discussions and debates which will bring colleagues from the kingdom of Saudi Arabia, gulf, and Middle East together; and perhaps come up with recommendations and practice guidelines for our region.

We looked forward to seeing you in Jeddah.

Prof. Talal Alkhatib

MD, MSc, MHPEd, FRCSC
President of MESPO 2024

Scientific
Program

Time Duration Topic Speaker

PEDIATRIC AERODIGESTIVE TRACK

08:00-08:30	30m	Session 1	Navigating The Pediatric Larynx	
	10m		Type 1 laryngeal cleft to inject or not to inject	Dr. Fahad AlSaab
	10m		Advanced Laryngeal Clefts Surgical Pearls	Dr. Taher Valika
	10m		An insight into Surgical Management of Laryngomalacia	Dr. Talal Alkhatib
08:35-09:15	40m	Session 2	Panel Discussion: A Lifesaving Breath- A Panel on Tracheostomy Care	
	10m		How we do it: tracheostomy care at texas children's hospital	Dr. Heena Prasla
	30m		Discussion	Moderator: Dr. Ahmed Alkhateeb Speakers: Dr. Heena Prasla Dr. Abdulrahman Althubaiti Dr. Talal Almaghamisi Dr. Fahad AlSaab Dr. Zeinab AlQudehi
09:20-10:15	55m	Session 3	Roundtable: The Keys to Collaboration- Highlights on Aerodigestive	
	10m		Aerodigestive team development at Jalilah children's hospital	Dr. Safeena Kherani
	10m		Fundopliaction for airway disordered patients when and why?	Dr. Mishary Alefan
	35m		Panel Discussion	Moderator: Dr. Bshair A Aldriweesh Speakers: Dr. Safeena Kherani Dr. Mishary Alefan Dr. Talal Almaghamisi Dr. Ruba Makki, Prof. Deepak Mehta
10:15	20m		Openning Ceremony	
10:35	25m		Break	

DAY 01

17 OCTOBER 2024

THURSDAY

MAINHALL
AL QASR HALL

Time	Duration		Topic	Speaker
11:00-11:30	30m	Session 4	Abstracts in Airway Session	
	4m		National Consensus Recommendations of Pediatric Tracheostomy	Dr. Danah Alrusayyis
	4m		Effectiveness of laryngeal re-innervation compared to medialization thyroplasty in the treatment of unilateral vocal cord paralysis: SR and netork meta-analysis	Dr. Muhannad Alghamdi
	4m		Effectiveness of immunotherapy in recurrent respiratory papillomatosis: A systematic review	Dr. Waleed Alghuyaythat
	4m		Translation and validation of velopharyngeal insufficiency effects on life outcome (VELO) instrument in screening or quality of life of children and adolescents in Saudi Arabia	Dr. Jood Alotaibi
	4m		Outcome of vocal cords suture lateralization in pediatric	Dr. Ahoud Almuneef
	50m	Keynote	Management of the pediatric intubated child	Prof. Deepka Mehta
	1h		Lunch Break	
11:30				
12:30	1h	Session 5	Panel Discussion: Bilateral Vocal Fold Paralysis in The Neonate	Moderator: Dr. Waleed AlShareef Panelists: Dr. Taher valika Dr. Jaber alshammari Dr. Talal Alkhatib Dr. Patrick Scheffler
13:30				Moderator: Dr. Patrick scheffler
14:30	1h	Session 6	Airway Challenging cases	Speakers: Prof. Ahmed Alammar Prof. Deepak mehta Dr. Jaber alshammari Dr. Mai AlNasser
15:30	30m		Break	

DAY 01

17 OCTOBER 2024

THURSDAY

MAINHALL

AL QASR HALL

Time	Duration		Topic	Speaker
16:00	1h	Session 7	Airway Expansion Surgery, Where Are We Now?	
	10m		Endoscopic Airway Expansion: Tips and Tricks	Prof. Ahmed Alammari
	10m		Preserving voice and swallowing airway expansion surgery	Dr. Jaber Alshammari
	40m		Discussion	Moderator: Dr. Mal Alnasser Speakers: Dr. Patrick Scheffler Dr. Ahmed Alammari Dr. Jaber Alshammari Prof. Deepak Mehta
17:30			Meet the experts at Shurfa Lounge Qasr Al Sharq	

DAY 01
17 OCTOBER 2024

 **THURSDAY**

**AUDIOLOGY
WORKSHOPS**

 **MADINA HALL**

Time	Duration	Topic	Speaker
8:00-10:00	2h	Tips and Techniques in Assessment, Fitting and Verification for Infants and young Children  VISION MEDICAL رؤية الطبية	Dr. Derek Stiles Dr. Rihab Alkhalil
10:15	20m	Opening Ceremony	
10:35	25m	Break	
11:00	1.30h	Implementation of Arabic Speech testing in pediatric setting  Cochlear® Hear now. And always	Dr. Hanin Rayes Dr. Nadia Abduhaq
12:30	1h	Lunch	
13:30	2h	Electrophysiological testing for threshold estimation in pediatrics  VISION MEDICAL رؤية الطبية	Dr. Andy Beynon
15:30	30m	Break	
17:30		Meet the experts at Shurfa Lounge Qasr Al Sharq	

DAY 01

17 OCTOBER 2024

 THURSDAY

VESTIBULAR WORKSHOPS

 RIYADH HALL

Time		Topic	Speaker
08:00	2.15h	Pediatric Vestibular Workshop: VEMP in Children	Dr. Alfarghal Mohamad Dr. Josine Widdershoven Dr. Nor Abdul Wahat
10:15	20m	Opening Ceremony	
10:35	25m	Break	
11:00	1.5h	Pediatric Vestibular Workshop: vHIT in Children	Dr. Alfarghal Mohamad Dr. Josine Widdershoven Dr. Nor Abdul Wahat
12:30	1h	Lunch	
13:30	1:30h	Pediatric Vestibular Workshop: VNG & Bedside Vestibular Assessment	Dr. Alfarghal Mohamad Dr. Josine Widdershoven Dr. Nor Abdul Wahat Ms. Weam Al Ameer Ms. Rawan Shamra
15:00-17:30	2h	Cochlear™ Connected Care- a transformational approach to hearing health care  Cochlear® Hear now. And always	Dr. Mohammad Albaqyah Dr. Sahar Bin Dehash
16:30	30m	End of program in this room	
17:30		Meet the experts at Shurfa Lounge Qasr Al Sharq	

Time Duration Topic Speaker

RESEARCH TRACK

Time	Duration	Topic	Speaker
08:00-09:30		Session 1 Abstracts in Pediatric Otolaryngology	
	4m	Retrospective Analysis of CSF Gusher in cochlear implant surgery: Incidence Risk Factors and outcomes - A systematic review	Dr.Mohammed Hazazi
	4m	Effectiveness of Steroid Therapy in Preserving Residual Hearing after Cochlear Implantation: A Systematic Review and Meta-Analysis	Dr.Renad Alsolamy
	4m	The effectiveness of steroids and antioxidants in prevention of cisplatin induced ototoxicity: a comprehensive systematic review of the literature and network meta-analysis	Dr.Shahad Albeladi
	4m	Predictors of parental awareness and attitude towards childhood hearing loss and its association with developmental delay in Saudi Arabia	Dr.Nada Alharbi
	4m	Exclusive medical management vs tympanostomy in children with recurrent otitis media: A systematic review	Dr.Nura Alzaid
	4m	Qualitative assessment of quality and readability of patient-directed Arabic online resources for cochlear implants in children	Dr.Manar Alharbi
	4m	Effectiveness of exclusive trans-canal endoscopic ear surgery (EES) for treatment of cholesteatoma limited to attic region: a systematic review and meta-analysis	Dr.Dhay Alrashid
	4m	Cochlear Implantation in patients with anomalous cochleovestibular anatomy	Dr.Aseel Alshanjiti

DAY 02

18 OCTOBER 2024

FRIDAY

MAINHALL
AL QASR HALL

Time	Duration		Topic	Speaker
	4m		Endoscopic Anterior laryngotracheal reconstruciton: How I do it	Dr.Abdullah Sindi
	4m		To give or not to give? Prescribing antibiotics to the tonsillectomy patient sin tertiary care setting	Dr.Ali Alshahrani
	4m		Congenital nasal pyrinform aperture stenosis review of literature, single center reomendation and case study	Dr.Zaki Alwatban
09:30	30m		Break	
10:00-11:10	70m	Session 2	Research Competition	
	5m		Impact of pediatic tracheostomy on the quality of life of children and caregivers (TrachQoL): validity and reliability of scales for knowledge, judgement and psycholovical wellbeing.	Dr.Danah Alrusayyis
	5m		Airway Abnormalities in pediatic patients with congenital heart diseas	Dr. Sarah Mozahim
	5m		The prevelance and association of Biofilms with otitis media with effusion: A systeamtic review and meta-analysis	Dr.Hussein El-Shirbeny
	5m		The prevelance and association of ADHD among children with sleep disorderd breathing in Saudi Arabia	Dr.Rafed Abdulhameed
	5m		A bibliometric review of published articles in pediatic dysphagia	Dr.Abdulwahab Alyahya
	5m		Outcome of supraglottoplasty among neurologically impaired patient	Dr.Shaykhah Alnaimi
	5m		The prevelance of hearing loss among school age children and its association with their school performance in jeddah, saudi arabi	Dr.Reem Aseery
	5m		Clinical Evaluation of pediatic patients with recurrent respiratory papillomatosis: A longutudinal study at Saudi Arabia Tertiary care ceter	Dr.Alanoud Alshathri

DAY 02

18 OCTOBER 2024

FRIDAY

MAINHALL
AL QASR HALL

Time	Duration		Topic	Speaker
	5m		The Utility and Usefulness of Otoacoustic Emissions as an Adjunct to Automated Auditory Brainstem Response in Newborn Hearing Screening	Dr.Noor Baamir
11:10	50m	Session 3	Research Collaborative initiative	Dr.Ahmed Alkhateeb
12:00	120m		Lunch and prayer	

PEDIATRIC H&N - SLEEP - RHINOLOGY TRACK

14:00	15m	Pediatric Fellowship in UK	Pediatric Fellowship in UK	Dr. Ahmed Allam
14:15	15m	Sleep Medicine	Upper airway stimulation for severe obstructive sleep apnea in complex pediatric patients	Dr. Patrick Scheffler
14:30	10m	Session 4	Short video submission	
14:40	70m	Session 5	Roundtable in H&N and Sleep	
	10m		Diagnostic challenges and medical management of non-TB mycobacterial cervicofacial lymphadenitis	Dr. Abdulsalam Alsulami
	10m		Surgical Management of atypical mycobacterium	Dr. Alaeddin Jebreel
	10m		Controversies in branchial cleft management	Dr. Randa Barazi
	10m		Establishing a national pediatric otolaryngology drooling service in unique population	Dr. Taseer Din
	10m		Drug Induced Sleep Endoscopy	Dr. Randa Barazi
	10m		Approach to parapharyngeal space in pediatrics	Dr. Bshair A. Aldriweesh
16:00	30m		Break	

DAY 02

18 OCTOBER 2024

 **FRIDAY**
 **MAINHALL**
AL QASR HALL

Time	Duration		Topic	Speaker
16:30	30m	Session 6	Advancements in Pediatric Rhinology	
	10m		Management of Nasal Dermoids	Dr. Wala AlShiha
	10m		Management of Neonatal nasal stenosis	Dr. Iman Almashharawi
	10m		Pediatric sinuses: Developmental landmarks	Dr. Abdullah Al Bader
17:00	60m	Session 7	Panel Discussion: Pediatric Chronic rhinosinusitis, work up, management and interventions	Moderator: Dr. Abdullah Al Bader panelists: Dr. Mohamad El Bitar Dr. Abdulrahman Aithubaiti Dr. Wala AlShiha Dr. Randa Barazi
18:00			Conclude the day	

Time Duration Topic Speaker

PEDIATRIC AUDIOLOGY TRACK

08:00	20m		Assessing Arabic Self-Reported Measures of Hearing, Tinnitus and Hypercusicus in Pediatrics: challenges and oppurtinities	Dr. Ibrahim Almufarrij
08:20	45m	Keynote	Keynote: Contemporary Practice in Pediatric Audiology and How to Make it Count	Dr. Derek Stiles
09:05	25m	Keynote	The Future of Intracorporeal Telemetry: EEG-based CI-fitting	Dr. Andy Beynon
09:30	30m		Break	
10:00	50m	Panel	Panel Discussion: Children with Hearing Loss in School: Current Challenges and Accomodations	Moderator : Dr. Ibrahim Almufarraj Panelists: Dr.Derek stiles Ms. Abeer Bawajeh Dr. Zakiyah Alsiddiqi Dr. Rihab Alkhalil
10:50	25m		Childhood Hearing Screening: How essential and are we doing enough?	Dr. Derek Stiles
11:15	45m	Panel	Panel Discussion: Discrepancy between Objective and Subjective hearing assessments in children: Complex Cases Review	Moderator : Dr. Rihab Alkhalil Panelists: Dr. Derek Stiles Dr. Andy Beynon Ms. Dania Kamal
12:00	120m		Lunch and prayer	
14:00	30m		Clinical Productivity and Metrics in Pediatric setting	Dr. Derek Stiles

PEDIATRIC VESTIBULAR TRACK

14:30	45m	Keynote	Keynote: Management of Vestibular Disorders in Children	Dr. Alfarghal Mohamad
15:15	30m		Vestibular Screening in infants: when and how	Dr. Nor Abdulwahat
16:00			Break	

DAY 02

18 OCTOBER 2024

 **FRIDAY**

Time	Duration		Topic	Speaker
16:30	45m	Panel	Panel Discussion: What it Takes to Start Pediatric Vestibular Services in your Practice ?	Moderator: Dr. Alfarghal Mohamad Panelists: Dr. Faisal Alzwawi Ms.Rawan Shamera Dr. Nor Haniza Abdul Wahat Dr. Mohammed Garrada
17:15	20m		Clinical Protocols of Vestibular Assessment in children	Dr. Alfarghal Mohamad
17:35	20m		Vestibular Impairment in Children with Hearing Loss	Dr. Nor Abdulwahat
17:55	20m		Vestibular Rehabilitation in Children	Ms. Rawan Shemera
18:15			Day Ends	

DAY 02
18 OCTOBER 2024

 **FRIDAY**

SLP TRACK & WORKSHOP

 **MADINA HALL**

PEDIATRIC SLP TRACK

08:00	45m	Assessment of Pediatric Dysphagia	Mrs. Ruba Makki
08:45	45m	Management of Pediatric Dysphagia	Ms. Shahad AlSafhi
09:30	30m	Efficacy of auditory verbal therapy in young children with cochlear implants	Ms. Huda Alsafadi
10:00	30m	Break	
10:30	45m	Behavioral Feeding Disorder	Ms.Lama Dakhakhny
11:15	45m	The Power of Early Intervention	Ms. Hadeel Almedainy
12:00	120m	Prayer Break	
14:00	45m	Instrumental Swallowing Assessment	Dr. Abrar Alduraibi
14:45	45m	Language Delay	Dr. Nahla Dashash
15:30	30m	When to Interview: Normal Disfluency Vs. Early Stuttering in Children Understanding Differences, assessment, and Intervention	Ms. Asma Abdullah
16:00	30m	Break	
16:30	120m	MBSS Workshop	Dr. Abrar Alduraibi Ms.Lama Dakhakhny

DAY 02
18 OCTOBER 2024

 **FRIDAY**

PEDIATRIC OTOLARYNGOLOGY  **RIYADH HALL**
WORKSHOPS

Time	Duration	Topic	Speaker
08:00	60m	Extracapsular vs intracapsular Coblation Tonsillectomy Smith+Nephew	Instructors: Dr. Latifah Al Makoshi Dr. Alaeddin Jebreel
09:00	30m	Panel discussion : Extracapsular vs intracapsular Tonsillectomy	Instructors: Dr. Latifah Al Makoshi Dr. Abdullah Al Bader Dr. Mohamad El Bitar Dr. Alaeddin Jebreel Dr. Abeer Al Ali
10:00	30m	Break	
12:00	2h	Lunch and Prayer	
14:30	2h	Osia System and Cochlear Implant Electrode Selections: Indications, Surgical techniques, and Hands-On Experience  Cochlear® Hear now. And always	Director: Dr. Faisal Zawawi Instructors: Dr. Afnan Bukhari Dr. Mohammed Ainoury

Time Duration Topic Speaker

PEDIATRIC OTOLOGY TRACK

08:00-08:15	15m	Session 1	Abstracts in Pediatric Otology Session	Moderator: Dr. Iman Almashharawi
	4m		A Comparative study of receptive language between patients with unilateral cochlear implants and patients with bilateral cochlear implants om arabic speaking children	Dr. Maymona Khattab
	4m		Comparison of the ecaCy of cochlear implants for pre vs postsynaptic neuropathy- A systematic review	Dr. Mohammed Hazazi
	4m		Prevalence of Macrolide-associated sensorineural hearing loss in pediatric age group	Dr. Ahlam Almahmoudi
08:15-09:15	60m	Session 2	Round table: Current trends in pediatric cochlear implant surgery	Moderator: Dr. Maryam Sahwan
	12m		Cochlear Implant fixation: Evolution of techniques	Dr. Mohamad El Bitar
	12m		Check List of Round window membrane exposure	Dr. Redha Alrumaih
	12m		Clinical profile and management of revised cochlear implant surgeries	Dr. Ahmad Aldhafeeri
	12m		Early Activation in cochlear Implant	Dr. Fidaa Almuhawwas
09:15-10:00	30m	Session 3: Keynote	Cochlear implant in malformation	Moderator : Dr. Faisal Zawawi Speaker : Prof. Laila Telmesani
10:00-10:30	30m		Break	
10:30	12m	Session 4: International perspective Lecture	Hearing Loss in children pathways in UK	Moderator : Dr. Mohamad El Bitar Speaker : Dr. Ahmad Allam
10:45	50m	Session 5: Keynote	Latest updates on the management of unilateral hearing loss	Moderator : Dr. Faisal Zawawi Speaker : Prof. Samantha Anne

Time	Duration	Topic	Speaker
11:45	40m	Session 6: Panel Discussion: Efficient and Personalized Cochlear Implant Care: Leveraging Surgical and Remote Innovations for Pediatrics 	Moderator : Dr. Deepthi Poovayya Panelists: Dr. Faisal Zawawi Dr. Mohammed Albaqiyah Dr. Nadia Abdulhaq Dr. Sahar Bin Dehesh
12:30	1h	lunch	
13:30	20m	Session 6: Advancements in Bone Conduction in Children Moderator: Dr. Faisal Zawawi	
13:40	10m	Posterior Placement of Osia in children with microtia	Dr. Afnan Bukhari
	10m	Osia 3 Launch	Mr. Alain Yezbeck
13:50	50m	Session 7: Early Detection & Early Intervention Panel Discussion: Universal newborn hearing screening: Updates, insites and challenges	Moderator : Dr. Sarah Alsebai Panelists : Dr. Derek Stiles Dr. Abdulsaiam Alsulami Dr. Rihab Alkhalil Dr. Maryam Sahwan
14:50	10m	Session 8: Bonebridge: Comfort that Stands the Test of Time 	Mr. Anas Ibrahim
15:00	30m	Break	
15:30	50m	Session 9 Panel Discussion: Decoding Genetic Hearing Loss: From Testing to Therapeutic Innovations	Moderator : Dr. Samantha Anne Panelists: Dr. Iman Almashharawi Dr. Maryam Sahwan Dr. Derek Jason Stiles Dr. Ahmed Allam
16:30	50m	Session 10 Challenging Cases in Pediatric Otology	Moderator : Dr. Hussein Etwadi Panelists: Dr. Fida Almuhawwas Dr. Rihab Alkhalil
17:30	30m	Awards and closing ceremony	Dr. Faisal Zawawi Prof. Talal Alkhatib Dr. Ahmed Alkhateeb Dr. Afnan Bukhari

SPEAKERS

Dr. Abdullah Al Bader

Chairman of Faculty of Otolaryngology-Head and Neck Surgery at Kuwait Institute for Medical Specialization, Clinical Instructor at the Faculty of Medicine, Kuwait University,

Dr. Abdulrahman Althubaiti

Chairman, Department of Otolaryngology Assistant Professor of Otolaryngology Chairman of Academic Advising and Counseling Unit College of Medicine - University of Jeddah, Jeddah, Saudi Arabi

Dr. Abdulsalam Alsulami

Assistant Professor of Pediatrics and Pediatric Infectious Diseases at King Abdulaziz University, Consultant at King Abdulaziz Hospital.

Dr. Abdullah Darwish

German board of Plastic, Reconstructive and Aesthetic surgery German board of specialized Hand Surgery

Dr. Abeer AlAli

Pediatric ENT Specialist Member in the pediatric airway multidisciplinary clinic -Jaber Hospital, Kuwait.

Ms. Abeer Abdullah Bawajeih

School system -speech Audio services -early intervention -Development and training programs

Dr. Abrar Alduraibi

Communication and Swallowing disorder service lead Ministry of Health (MOH)

Dr. Afnan Bukhari

MD MSc SBORL Pediatric Otorhinolaryngology - head & neck surgery Intermed Clinic - Jeddah, SA

Dr. Ahmad Aldhafeeri

Consultant Otolgy, Neuro-Otologist. Leader of Cochlear Implant Centers in Saudi Arabia (MOH)

Dr. Ahmed Allam

Consultant Otolgy and Neurotology and ENT, ENT and Skull base Consultant Queens University Hospitals London, FRCS(Eng),Phd,Msc, European Board of Otolaryngology.

Dr. Ahmed Alkhateeb

Assistant Professor at Imam Abdulrahman bin Faisal University, Dammam, Consultant Pediatric Otolaryngology Head and Neck Surgery

Prof. Ahmed Alammar

Consultant Pediatric Otolaryngologist Professor of college of Medicine, Chairman of Subspeciality Programs Department of Otolaryngology King Saud University Riyadh, KSA

Dr. Alaeddin Jebreel

Consultant Otolaryngology- Head and Neck Surgery, King Faisal Specialist Hospital and Research Centre KFSHRC- Riyadh, Saudi Arabia,

Dr. Alfarghal Mohamad

Consultant Audio-Vestibular Medicine in Egypt, Registrar Audio-Vestibular Medicine in KSA,

Dr. Andy J Beynon

Assistant Professor at Faculty Medicine & Biomedical Sciences, Radboud University Medical Centre Nijmegen, The Netherlands.

Dr. Asma Ahmed Abdullah

Senior Speech Language Pathologist CCC-SLP at Spectrum Clinics, MSc. Speech Language Pathology, Dar Al-Hekma University, Jeddah, KSA.

Dr. Bshair A Aldriweesh

Consultant, Pediatric Otolaryngology & Airway Surgery, King Fahad specialist hospital-Dammam, KSA.

Prof. Deepak Mehta

Professor of Otolaryngology, Clinical Director- Complex Airway Center, Baylor College of Medicine, Houston, Texas, United States.

Dr. Derek Jason Stiles

Director of Audiology, Boston Children's Hospital, Director of the Center for Communication Enhancement, Boston Children's Hospital,

Dr. Fahad AlSaab

Consultant Otolaryngology Head & Neck surgery, Surgery Department, King Abdullah

Dr. Faisal Zawawi

Founder & CEO MESPO

Dr. Fida Almuawas

Associate Professor at King Saud University, College of Medicine, Otolologist/Neuro-Otologist at King Abdullah Ear Specialist Center - KAUH, Head at KAESC, Vice secretary of YO-IFOS.

Ms. Dania Kamal

Speech language therapist - JISH

Dr. Hanin Rayes

Clinical Audiologist -King Abdulaziz University Hospital, Consultant in Clinical Audiology -Jeddah Institute of Speech and Hearing

Dr. Heena Prasla

Pediatric Nurse Practitioner,
Tracheostomy Lead at Texas Children's
Hospital-Otolaryngology Department,
Pediatric Advanced Life Support (PALS
Certified)

Dr. Hussein Etwadi

Consultant, Pediatric otolaryngologist,
Abha Maternity and children hospital,
KSA.

Dr. Ibrahim Almufarrij

Assistant professor - King Saud University
honorary research associate
University of Manchester

Dr. Iman Almeshhrawi

Consultant otolaryngology head and neck
surgery,
Pediatric subspecialty cochlear implant,
Prince sultan military medical city,
Riyadh, Saudi arabia.

Dr. Jaber Alshammari

Consultant Pediatric Otorhinolaryngology
Head & Neck surgery Airway surgeon
Program Director
KAMC - National Guard Riyadh- Saudi
Arabia.

Dr. Josine Widdershoven

MD PhD Otorhinolaryngologist
-Maastricht University Medical Center.
Consultant in Otorhinolaryngology,
The Department of Otorhinolaryngology
of the University Hospital of Antwerp -
Belgium.

Dr. Khalid Khatib

MD FAPRAEC
German Board of Plastic, Reconstructive,
and Aesthetic surgery

Prof. Laila M. Al-telmesani

Professor of ENT Head and Neck Surgery,
Department of ENT Head and Neck Surgery,
College of Medicine, Imam Abdulrahman
bin Faisal University, Dammam

Dr. Lama Dakhakhni

Speech and language pathologist

Dr. Latifah AlMakoshi

Pediatric Otolaryngologist at King
Abdulaziz University Hospital,
Assistant Professor at King Saud
University.

Dr. Mai Nasser

Pediatric Otolaryngology
MBBCh , DOHNS, SBO ,ABO ,EBEORL -HNS
,KSU pediatric ORL , FACS,
BDF ORL-H&N Saudi Board Program Director,
Bahrain Defence Force -Royal Medical
Services,
Kingdom Of Bahrain.

Dr. Zeinab AlQudehi

ENT Consultant/ Pediatric otolaryngology
Head Of ENT Departement
Dr Sulaiman AlHabit Hospital

Dr. Maryam Sahwan

Chairperson ENT and Maxillofacial Services at Government Hospitals, Head of Cochlear and Hearing Implantable Devices Program in Salmaniya Medical Complex.

Dr. Meshari Alaifan

Chairman of Pediatric Department King Abdulaziz University Pediatric Gastroenterology Consultant Assistant Professor, King Abdulaziz University

Dr. Mohammad Albaqyah

General Supervisor of Cochlear Implant Center King Fahad Hospital, Jeddah, KSA.

Dr. Mohamad El Bitar

Consultant, Head & Founder of Otolaryngology Head & Neck Surgery, Al Jalila Children's Specialty Hospital - Dubai - UAE.

Dr. Mohammed Garrada

Lead of Audiovestibular Unit at KAUH in Jeddah, Audiovestibular Medicine Specialist, Member of the Cochlear Implant Unit.

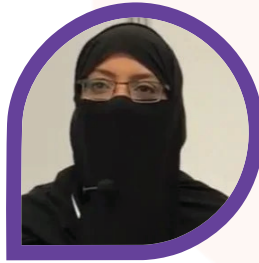

Dr. Mohammed Alnoury

Assistant Professor, Consultant Otolaryngology - Head and Neck Surgery, Pediatric and otology subspecialties, King Abdulaziz University, Saudi Arabia.

Dr. Nadia Abdulhaq

Senior Clinical Technical and Rehabilitation Consultant, Cochlear Middle East and Africa, Dubai Office - UAE

Dr. Nahla Dashash

Head of Early Intervention unit at Jeddah Institute for Speech and Hearing; Director for JISH Training Centre accredited by Saudi Commission for Health Specialties (SCFHS), Clinical Services Director of All Clinical Departments, at Jeddah Institute for Speech and Hearing;

Dr. Nor Haniza Abdul Wahat

Associate Professor and Vestibular Audiologist, Assistant Dean for Entrepreneurship, Faculty of Health Sciences, Universiti Kebangsaan Malaysia (UKM).

Dr. Patrick Scheffler

MD frsc Pediatric otolaryngologist, Cohen children's medical center of New York Assistant professor Hofstra university Zucker school of medicine

Dr. Randa Barazi

Associate Professor of Pediatric Otorhinolaryngology, Head and neck surgery, Residency program director, American University of Beirut Medical Center, Beirut.

Ms. Rawan Shamera

Senior Physical therapist - National guard hospital- Jeddah working under the area of Neuro an

Dr. Redha Alrumaih

ENT Consultant /Assistant Professor,
Otolaryngist-Neurotologist,
King Fahad Hospital University
Hospital, Al-Khobar,
Imam Abdulrahman Bin Faisal
University, Saudi Arabia.

Dr. Rihab Alkhalil

Chief of Audiology Department,
Director of Saudi High Diploma Clinical
Program,
Ministry of National Guard Health Affairs, KSA.
Audiology Consultant -King Abdullah
Specialized Children Hospital.

Dr. Ruba Makki

Speech-Language-Pathologist at King
Saud University Medical City, in Riyadh,
Certified and specialized in Pediatric
Swallowing & Feeding Disorders.

Dr. Safeena Kherani

Otolaryngology - Head and Neck Surgery,
Pediatric ENT Consultant, Al Jalila
Children's Hospital;
Clinical Adjunct Associate Professor,
Mohammed Bin Rashid University,
Dubai, UAE.

Prof. Samantha Anne

Professor of Otolaryngology, Head and
Neck Surgery at Cleveland Clinic
Children's Hospital and the Integrated
Surgical Institute. She serves as the
Medical Director of Pediatric

Dr. Sarah Alsebai

Audiovestibular Medicine Demonstra-
tor, Faculty of Medicine,
Member of the Cochlear Implant and
Implantable Hearing, Aids Unit,
King Abdulaziz University Hospital.

Dr. Shahad AlSafhi

Speech And Language Pathologist at
Nebras Center for Day Care and
Rehabilitation,
Speech And Language Pathology
Volunteer - King Faisal Specialist
Hospital and Research Center.

Dr. Taher Valika

Medical Director of the Aerodigestive
Program at Ann & Robert H. Lurie
Children's Hospital of Chicago,
Assistant Professor of Otolaryngology
at the Northwestern University
Feinberg School of Medicine.

Prof. Talal Alkhatib

Chairman of medical education,
professor of pediatric Otolaryngology,
Faculty of Medicine, King Abdulaziz
University.

Dr. Talal Almaghamsi

American and Canadian Board of
Pediatric and Pediatric Pulmonology,
Consultant Pediatric Pulmonology in
KFSH&RC -Jeddah,
Program Director of Pediatric
Pulmonary Fellowship -Jeddah

Dr. Taseer Din

Pediatric Otolaryngologist, Head-Neck
Surgeon at Sidra Medicine and
Research Center, Doha, Qatar.
Assistant Professor of Clinical
Otolaryngology, Head-Neck Surgery,
Weill Cornell-Qatar.

Dr. Wala S. AlShiha

Pediatric Otolaryngology Consultant,
ORL/H&N Department,
Prince Sultan Military Medical City.

Dr. Waleed AlShareef

Ms. Weam Al Ameer

Audiologist at Ministry of National
Guard Health Affairs (MNG-HA),
Researcher.

Dr. Zakiyah Alsiddiqi

Assistant professor at King Saud
University in Riyadh,
Saudi Arabia

Ms. Huda Alsafadi

speech, language pathologist

Cochlear™ Nucleus® SmartNav System

Optimising Surgical Care

The Nucleus® SmartNav System is an innovative intraoperative solution designed to support surgeons during cochlear implant (CI) surgery. This iPad-based and off-the-ear surgical processor solution aims at improving the overall surgical experience and enhance surgical outcomes by offering the following benefits:

- ✓ Wireless, real-time, actionable insights to support navigation during cochlear implant surgery with regards to angular depth and speed of insertion¹⁻⁷
- ✓ Objective measures to support in-theatre decision-making^{1,8,10}
- ✓ Assurance of correct electrode placement and implant functionality to reduce the need for intraoperative imaging post-electrode insertion^{7,8}
- ✓ Automated implant registration, data transfer and intuitive design to deliver a more seamless workflow⁸

Hear now. And always

Cochlear™ Nucleus® 8 Sound Processor

Smaller. Smarter. Better connected.

Help your patients engage with life and experience the comfort of the world's smallest and lightest behind-the-ear cochlear implant sound processor.¹

The Nucleus® 8 Sound Processor delivers smarter hearing technology and features an improved ForwardFocus* which automatically and seamlessly adjusts to your patient's listening environment.^{2-6,†}

Ready for next-generation Bluetooth® LE Audio technology, it will make it easy for your patients to bring sounds closer – in more places and from more devices than ever.^{7-9,‡}

The Nucleus 8 Sound Processor is

15% smaller than the Nucleus 7 Sound Processor^{1,§}

32% smaller than the Nucleus 6 Sound Processor^{1,**}

www.cochlear.com/nucleus8

* ForwardFocus is clinician-enabled within the Custom Sound Pro fitting software and can be user-controlled with the Cochlear Nucleus Smart App or as an automated program. † Compared to Nucleus 6 and Nucleus 7 sound processors. ‡ When the technology becomes available for the Cochlear Nucleus 8 Sound Processor, a firmware update to your sound processor will allow you to connect to Bluetooth LE Audio compatible devices. § Comparison made using the Compact Battery Module for Nucleus 8 Sound Processor and the Compact Rechargeable Battery for Nucleus 7 Sound Processor. ** Comparison made using a Compact Battery Module with the Nucleus 8 Sound Processor and the Nucleus 6 (CP910) Sound Processor

olopatadine hydrochloride and 665mcg | **NASAL SPRAY**
mometasone furoate monohydrate 25mcg

Glenmark

AR Relief in Minutes!

AR: Allergic rhinitis.

For the use only of registered medical practitioners or a hospital or a laboratory.

Abbreviated Prescribing Information: Ryaltris Composition: Ryaltris contains olopatadine hydrochloride and mometasone furoate monohydrate nasal spray. **Indications:** Treatment of symptoms associated with seasonal allergic rhinitis in patients 12 years of age and older. **Dosage and Administration:** 2 sprays in each nostril twice daily. **Contraindications:** Patients with known hypersensitivity to olopatadine hydrochloride, mometasone furoate, or any ingredients of RYALTRIS. **Warnings and Precautions:** Avoid use if recent nasal septal ulcers, nasal surgery or nasal trauma until healed; If localised fungal infection of nose or pharynx develops, treat or discontinue; Persistent nasopharyngeal irritation may indicate discontinuation; Consider referral for visual disturbances; Warn patients of risks of exposure to certain infections; Use with caution, if at all, with tuberculosis infection of respiratory tract, or untreated fungal or bacterial, systemic viral or parasitic, or ocular herpes simplex infections; Be alert for HPA axis effects; take care transferring from systemic corticosteroid; monitor paediatric growth; somnolence uncommon, advise avoiding driving/ operating machinery until their reaction known. **Use in special populations:** Pregnancy: Cat. B, Lactation: No data. **Paediatrics:** Safety & Effectiveness not been established below 12 yrs. **Drug interactions:** Strong CYP3A4 inhibitors (e.g. ketoconazole, itraconazole, clarithromycin, ritonavir, cobicistat containing products) may increase systemic corticosteroid side effect risk. **Adverse Reactions:** The most common adverse reactions ($\geq 1\%$ incidence) are dysgeusia, epistaxis, and nasal discomfort. **Storage:** Store RYALTRIS upright with the dust cap on at room between temperature 59°F and 77°F (15°C and 25°C). Do not freeze or refrigerate.
